

Riviera Glass Dividers are warranted to be free of defects in material and workmanship for a period of one year. Product reported as defective is subject to inspection and validation by an authorized representative. Alliance Glass Doors Inc. will repair, replace or refund the original cost of the doors or parts, at it's option. Remedies do not include glass breakage (by any cause), labour, installation costs, finishing costs, indirect or consequential damages.

RIVIERA GLASS DIVIDERS — CARE AND MAINTENANCE

Riviera Glass Divider doors will give years of trouble free use with simple and regular care.

ALUMINUM SURFACES

Abrasive cleansers or scouring pads should not be used. Clean aluminum surfaces with a lint free cloth and warm soapy water. Rinse soap with a clean damp cloth. Dry to avoid water spots.

GLASS SURFACES

Abrasive cleansers or scouring pads should not be used. Clean glass surfaces with a lint free cloth and glass cleaner spray. Dry with a clean lint free cloth. For difficult built up spots such as paint spots, use a painters "razor scraper" flat on the glass surface, taking care not to scratch the glass.

OTHER HARDWARE

For a smooth and quiet running door panels, ensure roller grooves are cleaned regularly for obstructions, dust and dirt accumulation. Vacuum grooves with a crevice nozzle and wipe clean. All other hardware is designed to be maintenance free and does not require lubrication or adjustment.
